

AUTHOR VISIT NEEDS

I am so thrilled to have the opportunity to come and visit with your staff and most of all your children. I guarantee we will have a memorable, magical moment. I want to make my stay with you as enjoyable for you as possible. The only needs I have for the assembly are the following:

One 6-8 foot table, a kid's chair, piano or keyboard

One or two microphones – a lavalier is best.

But if one is not available a microphone with a stand will be just fine.

After the assemblies, I'm available to meet with children for book signings in whatever setting it works best for your school.

The paper back books are \$6.50 (includes tax) and library bound hardcovers are 13.50 (includes tax). To make it easy for schools, checks can be made directly to ***Sunflower Seeds Press***.

However if you desire the checks be made out to the school, one check will need to be made out to Sunflower Seeds Press for the presale of the books. Unless otherwise arranged that check will need to be ready on the day of your event.

I have found it convenient for the children to have an extra week to purchase a book through the library after learning more about the books. The media specialist would then email me a list of students; I will in turn send the exact amount of signed books directly to the school, and then the school can just send a check for the exact amount. I absorb the postage and handling. Children can always purchase books on the website however postage and handling is extra.

Please let me know if you have any questions, suggestions or comments. Again, thanks for the opportunity to sow seeds of a different kind in the lives of your children. I count it an honor to bring joy and laughter into their hearts.
